## Parking Lot Closure June 18-20 By Vicki Klima, Parish Director

In Minnesota, if we have nothing else to talk about, we can always talk about the weather. Did we have 17 inches of snow on April 14? We did; some maybe had more. Did we have temperatures in the 90s six weeks later? We did. Did we break records and reach 100 degrees on Memorial Day? We did! Do we have an expectation of not having to wear a coat for at least three months? We do, although given our recent experience, anything could happen. I remember wearing a jacket one Fourth of July in St Paul.

I always think I'm going to be able to slow down in the summer. Work should be lighter. I should get more rest. I'll have time to catch up on things I've put off and work ahead on projects for the next year. Somehow, it doesn't work out that way. There's always something that comes up. We have fewer parish activities, but not that many fewer. The daily work of celebrating the Eucharist and other sacraments, offering help to those in need through Samaritan Ministry or

those needing pastoral care, extending hospitality in the heart of the city, and the work of keeping the building running continue in every season. But summer does mean we can take care of some summer tasks.

One such undertaking is **repaving the parking lot**, a job we have been putting off for many, many years. We have been patching it by filling cracks and sealcoating it. This time around, we will dig it up, remove the old asphalt, and recycle it. We will add new rock and new asphalt. We hope it will last a very long time! We have already put concrete into the area around the dumpsters. The concrete will protect that area from the heavy trash removal trucks that come into our parking lot.

If the weather permits, **the work will be done June 18-20**. The unfortunate thing is that *the lot will have to close these days*. We are doing the work during the week so that the parking lot will not have to be closed during weekend Masses. We are going to

close the office those days and work with a reduced staff. We will celebrate our regular schedule of Masses and Confessions. Check with staff contacts regarding any other meetings those days. All guests, Mass goers, and parishioners will have to find alternative parking.

We are hoping to do the bulk of the work on Monday and Tuesday, June 18-19. Wednesday morning, we will stripe the new lot. It should be open by Wednesday afternoon. Those of you going to St. Olaf night at the Twins should be able to park in the newly refurbished lot that evening, June 20.

### Missionary Speaker June 9 and 10

This weekend we welcome Fr. Emmanuel Uppamthadathil, MFSF, a missionary from Assam, India, who will speak at all of our Masses as part of the archdiocesan Missionary Cooperation Plan. Fr. Emmanuel is rector of St. Clement College, a seminary in the final stages of construction. He is seeking funds for the chapel and library. Your welcome, prayers, and support are appreciated. There will be a second collection after communion. Checks can be made to St. Olaf with "missionary" in the memo line.

### You Make It All Possible

As we head into the last 20 days of our fiscal year (ending June 30, 2018), and into the forecasted 90+ sizzling days of summer, we are grateful for the gifts God has rained down on St. Olaf. The most important gift is your presence – as parishioner, downtown worker or visitor. Each of you participates through worship, volunteer hours, expertise and/or financial resources, and through countless other ways. Thank you! If you are practicing 2018 Financial Stewardship through pledge payments, this is a good time to check to see if you are up to date. If you are a parishioner who has not yet made a gift to the Catholic Services Appeal, I encourage you to do so. Envelopes are in the pews. You are the gift God has given to St. Olaf. He will attend hospitality after the 8:00 a.m., 10:00 a.m., and 12 noon Masses to say good bye and receive well wishes. Thank you, Fr. Haschka, for three years of priestly ministry at St. Olaf!
